The Biggest Life Mistakes Business Owners Make, Featuring Michael S. Seaver on The Entrepreneur MBA Podcast

In today's podcast, Michael S. Seaver from Seaver Consulting, LLC., and Stephen Halasnik from Financing Solutions, a leading provider of [fast small business lines of credit](#), discuss the biggest life mistakes business owners make. Business owners who fail to identify their personal brands and their core values find it increasingly difficult to succeed in business. In addition, the lack of self-discovery by business owners has negatively impacted the growth and development of numerous startups. However, business owners can optimize productivity and expand their revenue base with clearly defined goals and objectives in mind.
